RE: Revised Draft Proposed Ballot Measure

Dear Joel:

After receiving feedback from the stakeholders, the enclosed revised draft proposed ballot measure on retirement board governance removes the items that raised the most concern during our meetings. Specifically, the revised draft ballot measure no longer contains the minimum qualifications for the employee and retiree appointed Board members and the changes in classified service, representation, and retirement benefits for employees, other than the Director, Assistant Director and Investment Officers, in the Department of Retirement Services.

We will continue to work with the stakeholders regarding the proposed retirement board governance changes. Additionally, we would like to continue to discuss the items that would not be brought forward as part of the ballot measure language and have been removed as part of this draft.

We look forward to discussing this revised draft proposed ballot measure with you.

Sincerely,

Alex Gurza
Deputy City Manager

c: Jennifer Schembri, Deputy Director of Employee Relations
